

Senior Picture Deadline & Yearbook Submission Information

In order for your senior to appear in the West Catholic yearbook, they must be photographed by The House of Photography located at 523 Wilson NW, Grand Rapids, MI 49534.

We require this for several reasons:

- For a consistent high quality look and continuity in your yearbook's senior section.
- Because the studio in return donates their time and services to photograph your students sporting events and other school event coverage for your yearbook.
- To give your students the best senior pictures at a reduced rate. All WC seniors get a 20% discount off all normal House of Photography prints and packages!

Please show The House of Photography your appreciation by using them for your senior picture needs.

You can contact the studio directly at 791-0531 or www.houseofphotography.com. If you are on a budget or only need the basics, we've worked out some great deals with the studio. Below are NEW SUPER SAVER deals this year!

West Catholic Yearbook Picture Rules:

- Deadline is November 2, 2010 to have your picture taken in order to appear in our yearbook.

- House of photography will take the yearbook style shots in compliance with our school rules. If you have the studio take all of your senior pictures, they will take the yearbook shots at the start of your normal session. You can select the one you want for your yearbook.
- Your appearance must be in accordance with school rules. The studio is not responsible for your appearance. Girls must be in “long sleeved tops that aren’t low cut”. (solids are better than stripes or patterns) and Guys must wear “sweater and tie” or “sport coat and tie”.

These rules pertain only to the first 6-8 shots of your normal studio senior session and to the three Yearbook sessions listed above. Afterwards, you can do anything you like!
